

We take plastic and make it fantastic.

Multipet International, Inc. is committed to sustainability and the preservation of the environment. We understand that Earth's resources won't last forever, which is why we look for new solutions to create meaningful and sustained change. By manufacturing products using recycled materials, we assure that the future remains the pet-friendly playground it's supposed to be.

1. RECEIVING

Plastics, paper, and other materials recycled by the consumer are received and prepped for processing.

2. CLEANING

Bottles are stripped down, thoroughly cleansed, and disinfected for further use.

3. RE-PURPOSING

Recycled products are made into either a soft, fibrous stuffing that is used in most of our plush toys, or into paper for packaging.
